Warsaw, on 3 October 2018

### NOTICE ON THE POSSIBILITY TO PARTICIPATE IN A VISUAL INSPECTION

**Regarding: the open tendering procedure titled “Overhaul of Fire Extinguishers PN: 33000025-1”. Procedure no.: ZP/1/X/2018.**

With reference to a Contractor's request, the Awarding Entity hereby enables a visual inspection of the fire extinguishers PN: 33000025-1 being EC135P2+ and EC135P3 helicopter equipment. All interested Contractors may participate in the visual inspection on 08/10/2018 between 11:00 and 12:00, under the supervision of the Awarding Entity's employee, Mr Marcin Nowak. Venue of the visual inspection: Maintenance Organisation PART-145, ul Książkowa 5, 01-934 Warszawa. The participation in the visual inspection is not obligatory.

The Contractors' representatives must comply with OHS and fire protection regulations. The Contractors will take part in the visual inspection at their own expense. The Awarding Entity's representative will not provide any explanations to the Contractors during the visual inspection. Any enquiries related to the issues arising from the visual inspection may be addressed to the Awarding Entity in the manner stipulated in § 11 par. 1 of the ToR.
